

Week One

Methane Action Hub

12
NOV

09:45-10:30

Charting Methane Action: Taking Stock of Oil & Gas Methane Commitments
Environmental Defense Fund

11:00-12:00

Fossil Fuel Regulatory Programme Pledge to Action
Clean Air Task Force

14:00-15:30

Economic Strategies for Reducing Landfill Methane Emissions Globally
Zero Waste Europe

13
NOV

09:00-10:30

Public-Private Partnerships for Climate Data Collection and Monitoring
U.S. National Oceanic and Atmospheric Administration

11:00-12:30

Zero Waste Best Practices: Waste Methane Reduction across the World
GAIA

14:00-15:30

Superpollutant Action in Agriculture
Climate Advisers

16:30-17:30

The Methane Spin Room
Clean Air Task Force

14
NOV

09:00-10:30

Multilateral Development Banks in Methane Abatement: Driving Innovation and Implementing Global Commitments
Global Methane Hub

11:00-12:30

Unlocking Capital for NOC Methane Abatement
Environmental Defense Fund

14:00-15:30

Climate finance for fast action on methane reduction & environmental justice
Zero Waste Europe

16:00-17:30

Implementing win-win exporter-importer methane abatement partnerships for a just transition
OECD

15
NOV

09:00-10:30

Carrots and Sticks: The EU Methane Regulation and Methane Partnerships
Clean Air Task Force

11:00-12:30

Gaining Momentum: Assessing the progress made towards methane emissions reduction and measurement in the oil and gas industry
OGDC

14:00-15:30

Waste methane abatement through energy recovery: North-South discussions on energy access and efficiency of various technologies
GAIA

16:00-17:30

South-South collaboration to catalyze O&G methane mitigation
OLADE

16
NOV

09:00-10:30

Using Remote Sensing to Understand Methane Emissions in Africa
AKADEMIYA2063

11:00-12:30

A Methane Data Revolution: Translating Insight into Action
IMEO

14:15-15:30

Mission Possible: The Value of Methane Satellites in Solving the Climate Crisis
Environmental Defense Fund

16:00-17:30

Case for Action on Superpollutant Tropospheric Ozone
Clean Air Task Force

COP29
Baku
Azerbaijan

Methane Action Hub

Week Two

18
NOV

09:00-10:30

TBD Event on Animal Health
Environmental Defense Fund

11:00-12:30

Beyond Carbon: Opportunities to Reduce and Finance Non-Carbon Dioxide Emissions in India
IGSD

14:00-15:30

Advancing Clean Cooking Access in Africa, Latin America & the Caribbean: Triple Win for Nature, Gender & Health!
IEA

16:00-17:30

Accelerating Methane Reduction: Subnational Challenges and Solutions
Solutions for Our Climate

19
NOV

09:00-10:30

Transforming Waste: Driving Down Emissions through Government and Civil Society Initiatives
Clean Air Task Force

11:00-12:30

Methane and climate justice: lessons from civil society organizations for inclusive and effective climate action
Centro Mexicano de Derecho Ambiental, A.C

14:00-15:30

The Road from Planning to Implementation: reducing agriculture methane from a policy perspective
Clean Air Task Force

16:00-17:30

Differentiated but Shared Responsibilities on Methane: Centering Farmers in Accelerating Mitigation in Livestock
Clim-Eat

20
NOV

09:00-10:30

Financing methane abatement in the solid waste sector: Solutions and Opportunities
C40 Cities Climate Leadership Group

11:00-12:30

Environmental Justice as a Key to Waste Action
GAIA

14:00-15:30

Reduction and Recovery of Food Loss & Waste: A Win for Biodiversity and Climate Change
The Global Foodbanking Network

16:00-17:30

Emissions Transparency – Catalyst to Action in the Waste Sector
WASTE MAP & RMI

21
NOV

09:00-10:30

Intergenerational Equity in NDCs: A Key Link for Unlocking Rapid Emissions Reductions
CARE ABOUT CLIMATE

11:00-12:30

Spotlighting Champions: Harnessing Indigenous Wisdom for Climate Resilience
Dasra's Climate Rise Alliance

14:00-15:30

TBD
USDOT

COP29
Baku
Azerbaijan

**Methane
Action Hub**
